GREETINGS

from

31 N. Clark Street

at our new location right in the heart of the City of Chicago. You will now find us in the Financial district of the Loop. My loyal employees have informed me that this will be our very last move!

Our move was prompted by a phobia of the wrecking ball. The entire block upon which our old "new" location was, is set for demolition. As fortune would have it, we were offered our present location which was originally known as Ben's Coin Shop, and more recently, Rarcoa. This has been a coin store since 1947 and is now the only street level numismatic location in the loop.

Coming with the location is a clientele for U.S. coins. Not being one to turn away collectors of any kind, we now handle American coins and will, on occasion, take them in trade for ancients. Please stop in and see us when you are in Chicago.

Best Wishes for 1989

Harlan
